

Location Murail, Kahaloo, Bogura, Bangladesh	Education Diploma in Civil Engineering	Career Focus Civil Engineering • CAD • BIM • Freelancing
---	---	---

PROFESSIONAL PROFILE

Motivated Civil Engineering student with a strong interest in practical engineering, computer-aided design, BIM, and digital freelancing. Currently pursuing a Diploma in Civil Engineering at Bogura Polytechnic Institute and planning to advance to a B.Sc. in Civil Engineering. Interested in developing professional capability in AutoCAD, ETABS, Revit/BIM, 3D visualization, WordPress, SEO, and workflow automation.

EDUCATION

Diploma in Civil Engineering Bogura Polytechnic Institute, Bangladesh	Current Diploma-level Civil Engineering studies
--	--

TECHNICAL & DIGITAL SKILLS

- **Civil Engineering:** AutoCAD, 2D/3D CAD drafting, structural design concepts, construction materials, concrete and steel structure fundamentals
- **BIM & Visualization:** Revit/BIM, SketchUp, 3D modelling, Lumion/V-Ray concepts
- **Engineering Analysis:** ETABS fundamentals and structural-analysis concepts
- **Web & Digital:** WordPress, SEO, Cloudflare, DNS, website deployment and customization
- **Automation & AI:** Make.com, n8n workflow concepts, AI-assisted content workflows and prompt engineering

CAREER OBJECTIVE

To build a professional career in Civil Engineering while combining engineering knowledge with CAD/BIM and modern digital skills. Seeking opportunities for internships, junior engineering roles, CAD/BIM work, and freelance projects where technical accuracy, learning ability, and problem-solving can create measurable value.

AREAS OF INTEREST

Civil & structural engineering • CAD drafting & detailing • BIM and Revit • 3D architectural visualization • Construction technology • Engineering freelancing • Web development & SEO • AI and workflow automation
